

Iveta Meiere is a Painter on the silk – small entrepreneur in Latvia. She lives in Lapmežciems, Tukuma District - very beautiful place on the coast of the Baltic Sea.

Iveta started painting on the silk nine years ago. She studied in the Latvian Academy of Arts. In 1989, Iveta Meiere participated in the exhibition and symposium 'God, Nature, Work' and was very successful. In 1997, during her visit to Canada she got inspired by history, traditions, meals, nature and ceramics of Canada and created the collection of shawls called 'Mountains'.

She had participated in several exhibitions in different places of Latvia. Mountains and sea are the favourite themes of Iveta. Now she is a teacher in Lapmežciems Basic School for ceramics and glass painting.

Iveta Meiere is a very active woman - she is a president of the local women's club 'Spridzenes' and since 2002 she actively participates in the work of NGO Latvian Rural Women Association (national umbrella organization for women). She is responsible person for Arts and Crafts in the Association and helps rural women to develop skills and participate in different international and national events: Estonia (Vilande and Valga) in 2004, in Latvia (Ramava) in 2004, 2005.

Iveta Meiere would like to discover market for her products, to find partners abroad to organize exhibitions of her products, to find mentor in business development and marketing. **Products are unique paintings on silk and chiffon:**

- shawls;
- ties;
- linen pillows with silk painting;
- painting dresses.
