

## *Irēna Kerubīne*

I am an entrepreneur from Latvia, living in Ventspils district Ugale municipality. Already 10 years my occupation is making decorative pillows and blankets. With my products I willingly participate in different exhibitions.

I sew in techniques of appliqués and *pecvorka style*, using linen, silk, velvet and other decorative materials. Gladly knit and tambour what helps to vary the diversity of pillows. I make products by individual orders.
