

"Mirella Palmi" - studio of author jewelry

My enterprise "Mirella Palmi" emerge in 1987 year as studio of author jewelry. Founder of enterprise as well as designer of this jewelry is Mirella Palmi - me.

In spite of changing trends and generations of new collections, style of jewelry has still their own character and individual elegant line. Created jewelry in studio is directed for each woman, independently on age. One common feature for all owners of jewelry made by Mirella Palmi is modern elegance and sophisticated taste.

Present collection has been made for women who don't fear courageous connecting of easy metal with pearls and stones of Swarovski. Jewelry is execute manually from freshwater pearls, steel cords in nylon cover, easy metal and stones of Swarovski. It is antiallergic (without nickel) jewelry and it does not change paint.

Because our assortment is glad greatest interest As that case (together; time), my company has boosted production force and it desires to sell products also on international market too. We search for persons for cooperation in each country of FEM project. Please contact biuro@art-work.pl, www.mirellapalmi.pl.
