

Entrepreneur of the Month of December 2005 , Sweden

Margareta Paulsson is an entrepreneur with the company “Ordning& Reda “ in Linköping in Östergötland. She is an entrepreneur since 15 years. In the boutique “Ordning & Reda” a range of products characterized by a innovative and uniquely combined scheme of colour, patterns and materials are sold. The products includes archive boxes, folders, notebooks, diaries, in a total about 300 associated products. It is a franchise chain of boutiques in Sweden and other countries. You can look at www.ordning-reda.com if you want to see the places where you can find these shops.

Margareta Paulsson has also been working as a menthor towards women entrepreneurs since 10 years. In Östergötland there have been several programmes with mentorship with connection to the regional resource-centre , the first one was Qvadrat and then Qvinnovation. Earlier Margareta has worked in pair mentorship, but since this year she is also the menthor in the groupmentorship programme that has started in the FEM-project. Margareta has also worked as advicer to female entrepreneur in Nyföretagarcentrum in Linköping.
