

Genuine Handicraft from Kainuu!

Naturally soft, fluffy and warming
VILLASET
mittens, caps, ponchos and shawls

The high-quality handcrafted products of Villaset are woven, knitted, crocheted or loomed. In this company, two qualified craftswomen design and manufacture their own production along with providing readymade products to order and by subcontracting according to the client's designs and wishes.

Villaset uses genuine natural wool and cotton as material. If desired, a soft fluffy surface can be created to the product by carding. The colours vary in many natural colours. The selection includes e.g.

- travel blankets and shawls
- caps, mittens, scarves and socks
- tablecloths
- rugs
