

LaSiTe

*LaSiTe is in august 2006 started
Finnish glass Art Company,
By Siru, Sirkku Lahtonen.*

The little atelier is in Askonkatu 13, 15100 Lahti.

*LaSiTe makes many kinds of unique products from glass.
Used all techniques: traditional tiffany stained glass, glass
engraving, and fused glass.*

*Every creation is a unique work of art giving touch of individuality to
creations.*

*Siru makes different kind of plates, decorative, jewelries and all
kind of gifts from glass.*

*The company has just started and produce is still very small and
progressive.*

*I would like to have partnership with other glass artists or glass and
frame producers from Europe.*
